come together

2014

"I believe that everything happens for a reason. People change so that you can learn to let go, things go wrong so that you appreciate them when they're right, you believe lies so you eventually learn to trust no one but yourself, and sometimes good things fall apart so better things can come together."

- Marilyn Monroe

Congratulations Class of 2014!

Dear WHRHS Class of 2014,

Even since you were very young, you have been putting together puzzles. It is very likely that you began as a toddler with brightly colored wooden puzzles with large pieces that you could manipulate easily with your small hands. Over time as you got older, the puzzles became increasingly complex as you became more adept at handling smaller pieces and solving more intricate designs. Whether the puzzles had 10 pieces or a 1000 pieces, you learned very early on that every piece had its own place. It was frustrating if you lost one. It was terrific when it all came together. Each piece mattered. Each piece was unique. Each piece was part of the whole.

The Class of 2014 is a lot like a jigsaw puzzle with 281 distinctive pieces. Each one of you is an individual with specific skills, talents, and interests. Yet, you are also a part of the whole, the Whitman-Hanson Regional High School community. Everyone matters.

After graduation, you will become parts of many other communities as you find your place/ places in the world. Maintain your individuality, but, just as importantly, contribute to the whole in your work, at school, with family and friends, and in the community.

Happy graduation and best wishes for great success in the years ahead!

Cam,
It seems like yesterday you were starting kindergarten and here you are today, driving around, graduating high school and looking forward to a bright future. Watching you grow up from a quiet, cautious little boy into an outgoing, intelligent, respectful and thoughtful young man has made us so proud. You are a remarkable son, brother, friend and yet so humble you don't even realize when you walk into a room and smile, you make everyone around you feel welcome and unique to your presence. You have so much talent inside of you and have such a great journey ahead of you. Life is full of many choices, live the life you imagined. Always have the determination to pursue your dreams, live each day with no regret and don't turn back. Always believe in yourself. Fiona Shaw

We can't begin to tell you
Just how loved you are
We can't believe how time has flown
And how you've come so far

Forgive us when we stop and stare
And tears fall from our eyes
Time flew by so quickly
Sure took us by surprise

We asked you to stay little
To always be our baby
You said, "I'll try to if I can,
but, I'll have to grow up...maybe."

Now here you stand before us
An amazing, talented woman
Strong willed and determined
Who always says, "I can"

We flip though all your notes and cards
And pictures that you drew
Recall your quips and humor
'Unique', dear daughter, that's you!

There are no doubts within our minds
That you'll indeed succeed
Your future holds so much in store
But 'that smile' is all you need

You've always been so gentle,
So loving, kind and giving
Having you as our daughter, Fiona
Is another term for 'living'

No matter where life leads you
No matter what you do
We'll always be your biggest fans
And we'll be here for you.

Alyssa Raples

Alyssa,

The day has come for you to move forward on your life journey. It is up to you to pave your own roadfrom here. The best advice I can give you is to remember your values. Always think about how your actions will not only effect you but the people around you. You have a bright future ahead of you so reach for the STARS and don't let anyone or anything stand in your way. If someone tells you no, take your time and figure out how to turn that no into a YES. Stay positive, I have given you your foundation along with your fabulous teachers. Now it's all up to you. Words can not express how proud I am of you. Being your Mom has been a blessing and one of my proudest accomplishments. Raising you has also been one of my life's greatest pleasures. Words are not sufficient to express how wonderful it has been to watch you grow and mature into the fabulous person you have become. Your life is just beginning; move forward, and don't look back

...Fly...Fly...Fly...

Higher than anyone will ever expect, just reach for those STARS. I'm so, so very proud to be able to call you my daughter. As you embark on your journey remember one thing; Olivia, Grammy, Grampy and I will always be here for you through thick and thin.

I love you to the moon and back.

Love Always and Forever,
Mom
